

BONINS IN BELGIUM

LATEST NEWS FROM BLAIR & DINA
Autumn 2017

Thanks for praying for us this summer!

Connect '17 was life-changing once again. We were blessed to have our Baton Rouge friends, the Rainey's, the Mahans and the Kleinpeters serving along side us this year. (Merci, les amis!) The Lord moved especially one evening as several Europeans committed to full-time service. After 21 years of working in Europe to share the good news that Jesus is real & seeks relationship with EVERY individual, we are never more elated than when we see European brothers and sisters respond to God's call to give of themselves in order to lead others in surrendering their lives to Christ. This is what makes what we do, regardless of its temporal sacrifice, so worth the investment of our lives.

Other highlights of the last few months: hosting several visitors, Blair performing the wedding ceremony of a young couple in our church, and a few days in the Loire region of France. Our van breaking down wasn't a highlight, but God is providing for this need! We are missing our girls & Stuart as Claire recently moved to St. Andrews, Scotland for studies and Evangeline spent the summer between MO, MS & LA and is back in Tulsa for her last year of university.

Merci beaucoup for your continued prayerful and financial support.
